

WINTERGARDEN

The PPG Place Wintergarden is a bright and open plant-filled all-glass garden environment. It is the site of a variety of activities throughout

the year -- from the Three Rivers Arts Festival, concerts, and art exhibits to the annual Spirits of Giving

Around the World exhibit during the holiday season.

THE PPG PLACE PLAZA

The Plaza at PPG Place is a one-acre outdoor area that holds a variety of activities throughout the year.

From spring through fall, the Plaza is a tranquil seating area with tables and plants surrounding a unique water feature. It's a perfect place to sit down and enjoy the sights and sounds of downtown Pittsburgh.

The Plaza is transformed from mid-November through early March into The Rink, a spectacular one-of-a-kind outdoor ice skating rink.
